**No need to leave
your workstation just
to send a fax!**

**No need to print a
report just to send a
fax!**

Benefits:

- With BABEFax™, BABE automatically looks up the fax number based on the profile of the referring physician.
- Provides a quick response to referrals.
- Improves efficiency by saving time and providing a paperless environment.
- Affordable.

BABEFax™

**BABEFax™ allows you to
fax reports directly from
BABE™.**

**This option offers a quick way to fax a report
directly from the computer to whomever is
waiting for a report.**

**Please contact Medical Soft, Inc. for
more information.**
